

About the Kentucky Division

The Kentucky Division represents the local units, known as Camps, that are situated across the Commonwealth of Kentucky. Those local camps are organized into 4 Brigades which comprise the entire Division.

Our organization is open to men aged 12 and above who prove through genealogical research a bloodline that includes a Confederate Veteran who served honorably during the period between 1861 and 1865. Our organization can assist in that research.

Many of our Camps also offer an Associate Memberships for those individuals that can not, or have not as of yet, completed their ancestral search for Confederate Ancestry, please contact your local Camp for details.

If there was ever a time for our mission statement to be practiced - the effort to vindicate and remember that cause of the men in Gray to maintain the principles of the limited constitutional republican government of America's beginning - today is that day.
